## A Talk To Our Subscribers

While the Sentinel has carried at its head the statement that the subscription price is "\$2.50 per year in advance, otherwise \$3.00" the management has been very lenient with its subscribers and has not enforced the rule, possibly being the only paper in the district which accepted subscriptions not paid in advance, and also allowed our old subscribers to get years in arrears. This would not make such a difference if the number was only a few but when it runs into the hundred it amounts to a goodly sum and owing to the greatly increased prices of paper, ink, and so forth, included in the makeup of a paper, the Sentinel will hereafter adhere strictly to that rule. All subscribers now in arrears will receive a statement and unless same is honored by July 1st their names will be stricken from the list. Thank you.

Watson, Chas. Olsen and Mary Kimball.

The Nahlin will be the only steamer operating on the river this season and it is expected to make weekly trips as long as the navigation will permit. Capt. E. E. Wyman is in command of the vessel and the chief is O. F. Oliver. Joe Baronovitch, the owner of the vessel, will act as purser.

The big liner Prince George of the C. P. R. line made her first trip north, arriving in Wrangell early last Thursday and south again Sunday afternoon. The Prince George is 320 feet long, 3,875 tons. It is an oil burner and has a speed of 18 1-2 knots. The big liner is under the command of Capt. McKinzie. Alternating with the sister ship Prince Rupert the big liners will make weekly calls at Wrangell during the summer season.
